MEMORANDUM FOR THE RECORD

Staff Meeting Minutes of 1 December 1981
The Director chaired the meeting.
The Director noted he would meet with General Mobutu this morning and this afternoon would attend a National Security Planning Group meeting on Central America. He requested the latest information on the implications of the Honduran election and its impact on the situation in El Salvador.
The Director said Senator Baker is making an effort to get the Identities Legislation on the floor of the Senate before 18 December, but the Senator cannot guarantee that he will be successful. If the Legislation is not considered by the 18th of December, it will be taken up at the earliest possible time in January. The Director will testify before a closed session of the Senate Judiciary Committee on 9 December and will discuss FOIA and the impact it has had on the intelligence community. is preparing a briefing on the capabilities study for the Director to present to the President.
noted the budget was sent to the President last week. He added OMB was scheduled to have a budget review of the NFIP yesterday but is not sure if the meeting took place. The Director noted he would discuss this further with after the staff meeting.
reported the SSCI will hold a hearing on 10 December to consider future collection activities. Admiral Inman will present the CIA position.
Approved For Release 2007/10/29 : CIA-RDP84B00130R000600010363-7
